Product Identifier:

TOPAS Specification and issue currently Registered against:

TOPAS Registration Number

TOPAS Specification and issue for updated Registration:

Full Company Name:

Company Trading Address:

.....

.....

Post Code:

I/We hereby declare under my/our sole responsibility that the Product as referred to above, to which this applications relates, meets the requirements defined in the above updated TOPAS Specification(s) and TOPAS 0600, subject to any caveats explicitly outlined in the previously submitted Product Registration Application.

I/We understand that TOPAS is entitled to rely on the Manufacturer/Supplier's expertise and I/we indemnify TOPAS against any losses or liability that may occur in relation to this registration.

I/We certify that all supporting design and test documentation is maintained under an appropriate quality management system and will be made available for inspection, if requested by TOPAS, as part of the registration process or subsequent Audit as defined in TOPAS 0600, subject to a reasonable notice period.

I/We certify that the design and construction of the Product ensures that it is safe and fit for purpose and compliant with health and safety legislation and all applicable UK statutory requirements and standards.

I/We understand that significant modification to the Product specified above (as outlined in TOPAS 0600) or a change of legal entity of the Manufacturer shall require full re-registration of the Product.
