

## DECLARATION OF CONFORMITY

Please refer to the “Declaration of Conformity Guidance Notes” for details of how to complete this form

Product Title: .....

Product Identifier: .....

Manufacturer’s Technical File Reference: .....

TOPAS Specification: .....

Specification Appendices: .....

Specification Variances: .....

Manufacturer’s Name: .....

Address: .....

.....

.....

Post Code: .....

---

I/We hereby declare under my/our sole responsibility that the Product as referred to above, to which this Declaration of Conformity relates, meets the requirements defined in the above TOPAS Specification(s) and TOPAS 0600, subject to any caveats explicitly outlined in the submitted Technical File.

I/We understand that TOPAS is entitled to rely on the Manufacturer/Supplier’s expertise and I/we indemnify TOPAS against any losses or liability that may occur in relation to this registration.

I/We certify that all supporting design and test documentation is maintained under an appropriate quality management system and will be made available for inspection by TOPAS as part of the registration process or subsequent Audit as defined in TOPAS 0600, subject to a reasonable notice period.

I/We certify that the design and construction of the Product ensures that it is safe and fit for purpose and compliant with health and safety legislation and all applicable EU and UK statutory requirements and standards.

I/We understand that significant modification to the Product specified above (as outlined in TOPAS 0600) or a change of legal entity of the Manufacturer shall require re-submission of this Declaration of Conformity.
